Precinct Delegates - The role of a Precinct Delegate is extremely

important and is as “grassroots” as you can get. A Precinct Delegate is an elected representative to the local Republican Party from the precinct where you reside. One of the roles as a grassroots leader for your local Republican party is that a Precinct Delegate helps people in their precinct get registered to vote, provides information on issues and candidates to the voters, and identifies and recruits others interested in your party. Now, more than ever, talk & meet with other delegates in your precinct and knock on neighborhood doors in your precinct to ensure people know who the Republican candidates are and that we need to be united in the November election. Headquarters has a lot of candidate information you can pick up and leave with people you make contact with. Your efforts in getting the word out to neighbors in your precinct to vote November 8<sup>th</sup>, and to vote for our Republican candidates will be greatly appreciated.
