Dear Fellow Republicans:

March 17, 2017

Thank you for your continued support of Mason County Republicans. If you have not had the opportunity to join, please consider becoming a member by returning a completed membership form enclosed with this letter.

As a member of the Mason County Republicans, you can be a part of the grassroots movement. In the 2016 General Election, every Mason County precinct favored Republican candidates across the ballot. Currently, our members have had the privilege of being directly involved with our local Representatives, Congressmen, and their election campaigns. America is once again ready to lead, and we, the grassroots, are the heart of this leadership.

Michigan had an active election year, with two County and State Conventions. Our Delegates voiced the direction of the Michigan Republican Party, putting solid Republicans on our Michigan ballot. We worked diligently on getting our mobile GOP Headquarters established during the presidential election year and we created a platform in order for our Delegates to be heard. Our efforts also included placing over 600 Trump signs, as well as Huizenga, Bergman, and VanderWall signs and literature in strategic locations throughout Mason County. As a result, our outreach activities assisted in electing our Republican leaders.

In 2017, we have opportunities to grow our local party, reach out to young Republicans and let our lawmakers know that Mason County is a growing force of citizenry. Work still remains to be done, with upcoming gubernatorial and Senate races that will be intense. If you have any ideas

for projects or topics, please email at [carolines\\_cloud79@yahoo.com](mailto:carolines_cloud79@yahoo.com) or call at 231-690-6300.

We are looking forward to 2017, and have many outreach opportunities ahead of us. To name a few, we will be:

- Creating a Float for the Independence Day Parade and Freedom Festival: July 4
- Friday Night Live Booth: July 14, 21, 28, and August 4
- Western Michigan Fair Booth: August 8-12
- And as an environmental stewardship, we will be participating in the Highway Cleanup Dates: April 15-23, July 15-23, and September 23-October 1
